Seminar: A/Prof Katie Ellis (MCCA)
Join A/Prof Katie Ellis to explore the ways the research question is the single most important aspect of your research. She will discuss her own approach to developing research questions and pose a number of questions that should be asked during this stage of your candidature. You will have the chance to discuss your research question and related objectives with other postgraduate students and staff. Remember to bring your working notes.

Q&A Panel: Dr Dave Whish-Wilson (MCCA), Prof Tim Dolin (Research & Graduate Studies)

Workshop: Prof Michael Keane

Curtin University Doctoral or Master (including coursework) students, honour students, early career researchers and supervisors welcome. (Please note our seminars do not meet the supervisor registry requirements).

RSVP
RSVP is essential. Please RSVP to Julie Lunn at humgraduatestudies@curtin.edu.au

Iecture
The Iecture can be accessed from hgso.curtin.edu.au/student_info/workshops.cfm

Please check your student email regularly for the latest information on seminars including venues and times. Venue locations can be found at properties.curtin.edu.au/maps/
